

Annual Report
(2025-26)

SCHOOL NAME : THE S D VIDYA SCHOOL

ADDRESS : C-217, SECTOR-49, NOIDA-201301, UTTAR PRADESH

EMAIL ID : info.noida@sdvidyaschool.in

TELEPHONE NO : 0120-4274541, 43

AFFILIATION STATUS : AFFILIATED TO CBSE (PROVISIONAL)

PERIOD OF AFFILIATION : 2022-27

The SD Vidya School: Igniting Dreams, Shaping Destinies

Every individual possesses a unique canvas of potential, waiting for the right platform to dream, desire, determine, and ultimately decide their destiny. At The SD Vidya School, we provide that very foundation—an ecosystem designed to empower students to explore diverse pathways and blossom into their dynamic, vibrant best.

World-Class Infrastructure

Spanning a lush five-acre campus, our state-of-the-art facility is thoughtfully designed to foster both academic excellence and holistic development. The school features two modern architectural blocks—a single-story layout and an expansive three-story structure—housing sixty well-ventilated classrooms, a rich library, dedicated studios for music, dance, and fine arts, and two fully air-conditioned computer laboratories.

To nurture advanced academic pursuits, our independent Science Block features dedicated Physics, Chemistry, and Biology laboratories tailored exclusively for senior students. Furthermore, specialized experiential hubs are set up for Mathematics, Social Sciences, and Commerce.

- **Event & Learning Spaces:** Our large Multipurpose Hall serves as a wellness and indoor sports center for Yoga, Table Tennis, Chess, Carrom, and creative exhibitions. Additionally, a sophisticated auditorium—equipped with a high-definition projector and an advanced acoustic system—hosts interactive workshops, daily assemblies, inter-house competitions, and educational movie screenings.
- **Smart Education:** Over 75% of our classrooms are equipped with cutting-edge interactive smartboards powered by premium digital learning resources.

Tailored Primary Wing & Expansive Sports Arenas

Our youngest learners—from Pre-Nursery and Nursery through Class 5—thrive in a dedicated, secure block featuring abundant, age-appropriate play areas designed for discovery and fun.

Our landscaped outdoor grounds cater to a wide range of athletic interests, featuring a dedicated cricket pitch, a football ground, an athletics track, a volleyball court, a badminton court, a skating rink, and open recreational play zones. Through professional coaching in Karate, Football, Basketball, Pickleball, Volleyball, Table Tennis, Cricket, and Track Events, we encourage every student to embrace physical fitness, teamwork, and sportsmanship.

Comprehensive Annual Academic & Activities Report

Introduction & School Philosophy

“There is always a podium laid for every individual to Dream! To Desire! To Determine! To Decide Destiny!”

Since its inception, The SD Vidya School has been guided by a clear vision of educational excellence and an unyielding commitment to nurturing the intellectual, moral, and creative potential of every learner. This enduring ethos inspires our academic community to continuously set higher benchmarks across all disciplines, ensuring that academic rigor goes hand in hand with conceptual clarity and character building. We take immense pride in providing an ecosystem where every student is empowered to discover their unique potential and bloom into their vibrant colours.

World-Class Infrastructure & Learning Hubs

Spanning a lush five-acre campus, our state-of-the-art facility is thoughtfully designed to foster both academic excellence and holistic development:

- **Academic Blocks:** The school features two modern architectural blocks—a single-story layout and an expansive three-story structure—housing sixty well-ventilated classrooms, a rich library, dedicated studios for music, dance, and fine arts, and two fully air-conditioned computer laboratories equipped with high-speed internet.
- **Specialized Science & Academic Hubs:** An independent Science Block houses state-of-the-art laboratories for Physics, Chemistry, and Biology, meant for exclusive use by students of the senior wing. Furthermore, dedicated experiential hubs are operational for Mathematics, Social Sciences, and Commerce.
- **Multipurpose Hall & Auditorium:** A large Multipurpose Hall caters to Yoga, exhibitions, and indoor sports like Table Tennis, Chess, and Carrom. Our sophisticated auditorium—equipped with a state-of-the-art projector and advanced acoustic speaker system—hosts interactive workshops, daily assemblies, inter-house events, and educational movie screenings.
- **Smart Classrooms:** Over 75% of our instructional spaces are fitted with modern interactive smartboards powered by top-line digital resources, bringing interactive animations, 3D simulations, and multimedia content into daily lessons.

Academic Achievements

The overall academic performance for this session has been exemplary, highlighted by a stellar **100% pass rate in the CBSE Class X and Class XII Board Examinations**. We take immense pride in supporting a diverse cohort of students—including many ambitious first-generation learners—and guiding them to realize their highest academic aspirations:

Secondary Board Examination (Class X): Subhlaxmi Raut emerged as the overall school topper with an extraordinary score of **95.2%**, leading a stellar batch performance marked by high subject-wise distinctions.

- **Senior Secondary Board Examination (Class XII): Sakshi Bali** secured the top position in the school with a remarkable **91.2%**, demonstrating exceptional mastery across her core disciplines.

These stellar outcomes reflect the tireless dedication of our students, the unwavering trust of their parents, and the structured, competency-based pedagogical guidance of our faculty.

Special & Co-Scholastic Achievements

Beyond standardized board success, our students actively represented The SD Vidya School across diverse regional, district, and inter-school platforms, demonstrating creativity, technological proficiency, and social responsibility:

- **Inter-House Display Board Competition:** Centered on themes including Indian Contribution in Mathematics, Environmental Conservation, Marine Life of India, and Traditional Indian Medicine, students displayed outstanding research and artistic flair. **Jyoti House** and **Saraswati House** jointly secured the **1st position**, followed by **Geeta House** in **2nd place** and **Bharti House** in **3rd place**.
- **Earth Day Face Painting Competition:** Designed to foster environmental empathy through artistic expression, **Geeta House** secured **1st position**, with **Saraswati House** and **Jyoti House** claiming **2nd** and **3rd places**, respectively.
- **Dussehra PPT & IT Competition:** To enhance digital literacy and presentation capabilities under the thematic umbrella "Battle Beyond Good and Evil," participants leveraged modern IT tools to present solutions on Gender Equality, Social Justice, Technology, and Women Empowerment. **Geeta House** bagged the **1st position**, followed by **Saraswati House** in **2nd place**.
- **Academic Olympiads & Exposure:** Students enthusiastically participated in national-level Science, Mathematics, and English Olympiads, gaining crucial exposure to higher-order thinking skill (HOTS) questions and competitive test formats.

Eco Club Activities & Sustainable Development

In strict alignment with the directives of the Central Board of Secondary Education (CBSE), National Education Policy (NEP 2020), and the Directorate of Education, the Eco Club of The SD Vidya School conducted a series of impactful initiatives to promote environmental stewardship, sustainable living, and responsible citizenship:

- **Plantation Drive – “Ek Ped Maa Ke Naam”:** Students actively planted saplings across the campus, learning the ecological significance of trees in maintaining biodiversity, reducing pollution, and combating climate change while taking pledges to nurture their planted saplings.
- **Source Waste Segregation:** A school-wide sensitisation drive trained students to segregate waste into biodegradable and non-biodegradable bins. Emphasizing the **3 R's (Reduce, Reuse, Recycle)**, the drive successfully minimized plastic waste across classrooms.
- **QR Codes for Campus Flora & Fauna:** In an innovative synthesis of technology and environmental education, Eco Club members generated dynamic **QR codes** for trees, plants, and local bird species on campus. Scanning these codes provides instant digital profiles of the flora and fauna, making biodiversity learning interactive and engaging.
- **Nature Walks:** Guided nature walks allowed students to observe local ecosystems first-hand, sparking curiosity about local biodiversity and conservation.
- **Healthy Lifestyle through Yoga:** Blending human health with environmental harmony, students practiced yoga postures and pranayama, learning how physical fitness and mindfulness contribute to personal and ecological well-being.

Innovation & Digital Learning

To stay at the forefront of modern pedagogy, The SD Vidya School continuously upgrades its technological infrastructure:

- **Interactive Smart Learning:** Interactive smartboards allow teachers to integrate real-time assessments, interactive diagrams, and visual simulations into daily instruction.
- **Advanced Computer Labs:** Two air-conditioned computer laboratories provide students with practical skills in digital literacy, fundamental coding, computational thinking, and internet safety.
- **Modern Workflows:** Faculty regularly utilize digital tools, Google Sheets for lesson planning, and interactive software to deliver differentiated learning experiences.

Primary Wing Curriculum (Pre-Nursery to Class V)

Housed in an independent, secure building with abundant, dedicated play space, our primary wing offers a child-centric environment tailored to early developmental stages:

- **Activity-Based Pedagogy:** Concept building is driven through manipulative learning aids, storytelling, puppet shows, role-plays, and discovery kits that make learning intuitive and joyful.
- **English Language Development:** Recognizing the diverse linguistic backgrounds of our students, we follow a structured approach to master Listening, Speaking, Reading, and Writing (LSRW). Phonics drills, show-and-tell, recitations, and guided reading build natural fluency and confidence early on.
- **Holistic Foundation:** The curriculum balances core literacy and numeracy with physical education, arts, music, and foundational ethics in a safe, nurturing space.

STEAM Education

The SD Vidya School strongly promotes STEAM (Science, Technology, Engineering, Arts, and Mathematics) learning across all grade levels:

- **Interdisciplinary Projects:** Students merge scientific principles with artistic design to build physical models, explore basic mechanics, and conduct hands-on laboratory experiments.
- **Inquiry-Driven Pedagogy:** Classrooms encourage questioning, hypothesis testing, data analysis, and collaborative problem-solving over rote learning.
- **21st-Century Readiness:** Robotics workshops and design-thinking challenges prepare learners for future technological opportunities.

School Assemblies & Values Integration

Morning assemblies serve as a vibrant platform for developing public speaking skills, moral values, and confidence:

- **Student-Led Formats:** Rotational class participation ensures every student presents prayers, thoughts for the day, news analysis, speeches, book reviews, or skits.
- **Value-Based Themes:** Presentations revolve around empathy, integrity, national pride, environmental duty, and social harmony, helping students overcome stage hesitation and build leadership traits.

Holistic Learning, Clubs & Student Enrichment

- **Co-Curricular Clubs:** Diverse clubs (Literary, Eco, Science, IT, and Fine Arts) operate throughout the year, fostering intellectual, emotional, aesthetic, and social development.
- **Anti-Tobacco Awareness Campaign:** In a major civic initiative, students conducted rallies, skits, debates, poster-making, slogan writing, essays, and pledge ceremonies. This collective drive transformed our campus into a certified **Tobacco-Free Environment**, earning the school an official **Certificate of Participation**.
- **Health & Life Skills Seminars:** Expert-led workshops covered adolescent health, personal hygiene, balanced nutrition, eye check-ups, cyber-security, and exam stress management.

Professional Development

- **For Teachers:** Our educators actively complete certified modules via DIKSHA and CBSE focusing on Competency-Based Education (CBE), Art-Integrated Learning, Foundational Literacy and Numeracy (FLN), and innovative grammar pedagogy. Internal peer-workshops ensure continuous skill enhancement.
- **For Students:** Senior students receive structured career counselling from industry experts, alongside soft-skills workshops focusing on time management, critical thinking, and study strategies.

Sports Achievements & Physical Infrastructure

Physical education is a fundamental pillar of vitality and character development at The SD Vidya School. Our five-acre grounds feature a dedicated cricket pitch, football ground, athletics track, courts for volleyball, basketball, badminton, and pickleball, a skating rink, and an indoor multipurpose sports hall:

- **State-Level Roller Sports Laurel: Saloni** (Class X) brought immense pride to the institution by winning the **Silver Medal** at the **5th Uttar Pradesh State Open Roller Sports Championship 2024**, demonstrating exceptional skill and athletic discipline.
- **Mass Sports Participation:** Professional coaching in Karate, Football, Basketball, Table Tennis, Pickleball, Volleyball, Cricket, and Track events ensures that every student develops physical endurance, teamwork, and healthy sportsmanship.

Parent-Teacher Association (PTA) & School Management

- **Parent-Teacher Association (PTA):** The PTA serves as an active bridge between home and school. Regular interactive meetings facilitate open communication regarding academic progress, emotional well-being, and institutional growth, ensuring parents remain true partners in education.
- **School Management Committee:** Providing visionary leadership and strategic direction, the committee works closely with school leadership to maintain high academic standards, upgrade digital and sports infrastructure, ensure campus safety, and champion inclusive policies.
